A Time of Torment Chapter I. They're circling now, then falling, descending in a slow gyre, dropping so gently that their approach can barely be discerned. They are hawks in the form of men, and the one who leads them is a being doubly transformed: lost and found, human and bird; youngest of them, yet strangely old.

'A Time Of Torment' is a fine addition to the lore of Charlie Parker but it is not a good starting point for someone unfamiliar with the series. My two quibbles revolve around the fact that Connolly occasionally rambles and stretches out the narrative a little too much and he has a tendency to reuse his villains more often than I would like.
