Financial Reporting (FR) You'll develop knowledge and skills in understanding and applying accounting standards and the theoretical framework in the preparation of financial statements of entities, including groups and how to analyse and interpret those financial statements.

Financial Reporting (FR) | ACCA Global

This topic forms most of Section A (and has an influence on Section B) of the syllabus for Paper F7, Financial Reporting. A conceptual framework is important to the understanding of the many principles and concepts that underpin International Financial Reporting Standards (IFRS) and is an often-neglected part of candidates' studies.

I have used OpenTuition and practice and revision kits from BPP and Kaplan (find BPP better but it's just a matter of personal preferences). Read the technical articles and watch any postcasts available from ACCA website and practice as many past papers as possible. For me that was enough. Just one exam to do.
