For you get an idea of my sympathy for listening music just some hints: I began in the seventies with a Marantz-Receiver, one of these with the blue scales for tuning, I had then a Luxman L 410 amplifier, very famous in Germany in the 80's. Then came my first Accuphase, the E 211, and I learned things like dynamics,

Accuphase Audio Integrated Amplifier E-303

The Accuphase E-303 is a heavy, full-featured integrated amplifier with MOSFET output devices, superb sound and robust construction. I listen to every piece of equipment I work on and, out of hundreds of integrated amps I've heard, a well-sorted E-303 like this is one of the sweetest sounding integrated amps you'll
