Cartridge Brands of the British Isles by Ken J Rutterford ...

In the late 1940s, the Belgians joined with Britain and selected a British .280 (7×43mm) intermediate cartridge for further development. In 1950, both the Belgian FAL prototype and the British EM-2 bullpup assault rifles were tested by the US Army against other rifle designs. The EM-2 performed well and the FAL prototype greatly impressed the ...

Amazon.com: British Cartridges - Bullet Poster (Cartridge ...

Cartridge identification is important to anyone who works with ammunition cartridges, whether it's reloading or collecting. While it isn't foolproof, often the easiest way to identify a cartridge is to look at the headstamp, if there is one, because in many instances that will tell you exactly what it is.

Cartridge Identification: Start With the Headstamp | Gun ...

The.303 British Service cartridge, commonly known as the.303 or.303 British was adopted by Britain along with the Lee - Metford Rifle in 1889. This round, as originally adopted, consisted of a 215 grain, round nosed, cupro nickel jacketed bullet in front of 71.5 grains of RFG2 Blackpowder.

The .303 British cartridge was designed by a Major Rubini, superintendent of the Swiss government arms laboratory. The cartridge fired a 215 grain .311" bullet over 70 grains of black powder for a muzzle velocity of 1850fps.

.303 British - Extensive Field-Tested Rifle & Cartridge ...

When the British appropriated the 9.5x57mm Mannlicher-Schoenauer cartridge they renamed it the .375 Rimless NE (2 1/4"). Holland's .244 Magnum actually uses standard 6mm (.243") bullets, as did their earlier .240 Magnum. The British seem to have been no more accurate in naming their cartridges than the Americans or Continental Europeans.

Metallic Cartridge Nomenclature - CHUCKHAWKS.COM

Civilian soft point .303 ammunition, suitable for hunting purposes. Commercial ammunition for weapons chambered in .303 British is readily available, as the cartridge is still manufactured by major producers such as Remington, Federal, Winchester, Sellier & Bellot, Prvi Partizan and Wolf.
