Motivation and Personality: Abraham H. Maslow ...

Motivation and Personality is a book on psychology by Abraham Maslow, first published in 1954. Maslow's work deals with the subject of the nature of human fulfillment and the significance of personal relationships, implementing a conceptualization of self-actualization. Underachievers have a need for social love and affection, but a self-actualized person has these "lower" needs gratified and is able to pursue his or her own path towards self-actualization.
