The IP is assigned by the router. The default user name and password will depend on the model drive you have. If you have the My Book World Blue Rings try the following article:

Older WD MyBook what is the Default IP - Other Network ...

My home network is 192.168.200.0. So I add a 192.168.1.62 secondary address to my machine. After adding the secondary address I can access the drive. It's still transferring painfully slow. So, just to make sure it's not an issue with adding a secondary IP to my notebook, I decide to setup the MyBok to an address on my LAN.
