Real Time Diplomacy - New Books in Politics

Diplomacy is the practice of conducting negotiations between representatives of states or groups. It entails influencing the decisions and conduct of foreign governments and officials through dialogue, negotiation, and other nonviolent means. It usually refers to international relations carried out through the intercession of professional diplomats with regard to a full range of topical issues.

Diplomacy - Wikipedia

Seib's Real-Time Diplomacy: Politics and Power in the Social Media Era is a well-organized reflection on several of these demands. The author's set of arguments and accessible writing bridge the study and practice of statecraft and diplomacy with the science of networks that continue to
