The Astrodome: Building an American Spectacle. by. james gast. 4.12 · Rating details · 25 ratings · 4 reviews. In the summer of 1960, a group of men in Houston, Texas set out to build the largest room in the world. That room would have to be large enough for a baseball game, sunny enough for grass to grow, and with air cool and clear enough for thousands of smokers to puff away in air-conditioned comfort.

The Astrodome: Building an American Spectacle by james gast

Led by a brilliant and colorful politician, this collection of architects, engineers, oilmen, scientists, and ballplayers created the Astrodome. What they built forever transformed the way baseball and other sports were played and viewed-for better and for worse.
