### The Harveian Oration Of 1974

The Harveian Oration is a yearly lecture held at the Royal College of Physicians of London. It was instituted in 1656 by William Harvey, discoverer of the systemic circulation. Harvey made financial provision for the college to hold an annual feast on St. Luke's Day (18 October) at which an oration would be delivered in Latin to praise the college's benefactors and to exhort the Fellows and ...

### The Harveian Oration 1973

The Harveian Oration is a yearly lecture held at the Royal College of Physicians of London. It was instituted in 1656 by William Harvey, discoverer of the systemic circulation. Harvey made financial provision for the college to hold an annual feast on St. Luke's Day (18 October) at which an oration

### Harveian Oration - WikiMili, The Best Wikipedia Reader

About this Item: \*In 1656, William Harvey bequeathed a sum of money to the Royal College of Physicians and directed that an annual Oration should be delivered at the College, in Latin, and that it should include a commemoration of all the benefactors of the College by name. Alexander Sutherland did so deliver his Oration in 1863 but suggested that his successors should be allowed to use English.

In an essay written in 1974, Primo Levi warned: Every age has its own fascism and we see the warning signs wherever the concentration of power denies citizens the possibility and the means of expressing and acting on their own free will.

**Divided we fail - PubMed Central (PMC)**

75 Dr Richard Mead (1673-1754), Stukeley's former medical teacher and now a neighbour in Ormond Street, delivered the Harveian Oration at the College of Physicians on 18 Oct. 1723. This took the form, for the most part, of a defence of the position of physicians in classical antiquity, showing that they were always honoured.
